

# RED MEAT PROFIT PARTNERSHIP

## The Red Meat Profit Partnership is offering a fantastic opportunity for rural professionals

We're looking to form four Rural Professional Action Groups aimed at providing professional development support to assist those working with red meat sector farmers.

Each rural professional is eligible for funding of \$2,000 which is pooled into a group fund to pay for facilitator and expert advice.

Groups will be limited to 12 members with participation in activities four-six times per year as determined by the group. Groups will be based in the Waikato, Lower North Island, Canterbury and Southland regions\*.

Groups will base their activities around one or more of the following topics (identified as crucial to rural professionals over the next five years) farm systems, people, market, environment and technology.

Applicants will indicate topics of interest at the time of registering.

\*Regions are subject to change, these will be determined based on location of successful applicants

The benefits from being involved are:
